An innovative design solution for the next generation of Gorenje built-in ovens involves a precise positioning of the heating elements for perfect baking.

Built-in ovens - Gorenje
The oven, now even more spacious, features an oval shape that successfully mimics the traditional wood-fired ovens. This allows optimum circulation of air that completely embraces the food to make it tender and juicy on the inside and amazingly crunchy on the outside. The air is even better distributed throughout the 71-litre cavity with recessed sides, which decreases the occurrence of cool ...
