A Noble Radiance (Commissario Brunetti, #7) by Donna Leon

Commissario Brunetti delves into the shadows of a Venetian family’s past in this “gripping intellectual mystery” in the New York Times–bestselling series (Publishers Weekly). In A Noble Radiance, a new landowner is summoned urgently to his house not far from Venice when workmen accidentally unearth a macabre grave. The human corpse is badly decomposed, but a ring found nearby proves to be a clue that reopens an infamous case of kidnapping involving one of Venice’s most aristocratic families. Only Commissario Brunetti can unravel the clues and find his way into both the hearts of patrician Venice and that of a family grieving for their abducted son. “Goes a long way to confirming Donna Leon’s claim to have taken literary possession of Venice . . . A Noble Radiance gives the reader a delightful foretaste of the summer holidays to come, but it also offers much more than that.” –The Independent on Sunday “The marvel of this book is that almost every detail on every page forms part of a succession of clues, planted with exquisite precision, to unraveling the mystery.” –The Sunday Times “Brunetti emerges as an intelligent, somewhat world-weary individual who believes in his cause if not the system itself. In short, he’s the ideal protagonist for this culturally rich mystery.” –Publishers Weekly “In her detective novels with Commissario Brunetti, Donna Leon can paralyze the reader with a joyful suspense, lost in the environs of Venice and hopelessly in love with her central character and his wife.” –Mail on Sunday

A nun has left her convent after a series of suspicious deaths: “Leon’s novels are always a pleasure.” –The Washington Post In Venice, Italy, Commissario Guido Brunetti comes to the aid of a young Catholic sister, who has left her convent after five of her nursing home patients died unexpectedly. In the course of his inquiries, Brunetti encounters an unusual cast of characters, but discovers nothing that seems criminal. The police detective must determine whether the nun is simply creating a smoke screen to justify abandoning her vocation—or if she has stumbled onto something very real and very sinister that places her own life in imminent danger. “Leon’s books shimmer in the grace of their setting and are warmed by the charm of their characters.” –The New York Times Book Review Also published under the title The Death of Faith

Venice’s Commissario Brunetti takes on his “most difficult and politically sensitive case to date” in the gripping New York Times–bestselling series (Booklist). In Death and Judgment, a truck crashes and spills its dangerous cargo on a treacherous road in the Italian Dolomite mountains. Meanwhile, in Santa Lucia, a prominent international lawyer is found dead aboard an intercity train. Suspecting a connection between the two tragedies, Brunetti digs deep for an answer, stumbling upon a seedy Venetian bar that holds the key to a crime network that reaches far beyond the laguna. But it will take another violent death in Venice before Brunetti and his colleagues begin to understand what is really going on. “No one is more graceful and accomplished than Leon.” –The Washington Post “The sophisticated but still moral Brunetti, with his love of food and his loving family, proves a worthy custodian of timeless values and virtues.” –The Wall Street Journal “[Brunetti’s] humane police work is disarming, and his ambles through the city are a delight.” –The New York Times Book Review “The heady atmosphere of Venice and a galaxy of fully realized characters enrich this intriguing and finally horrifying tale.” –Publishers Weekly “The first of Leon’s books to knit together all her strengths: endearing detective, jaundiced social pathology, and a paranoid eye for plotting on a grand scale.” –Kirkus Reviews

“A dramatic and deeply satisfying climax . . . a high-stakes mystery in which the setting vibrates with as much life as the story itself.” –Publishers Weekly As Venice braces for a winter tempest, intrepid Italian sleuth Commissario Guido Brunetti finds out that an archaeologist and old friend has been savagely beaten at the palazzo home of opera singer Flavia Petrelli. Then, as the floodwaters rise, the corpse of a museum director is discovered—and Brunetti must wade through the chaotic city to solve his deadliest case yet. “An evocative peep into the dark underworld of the beauteous city.” –Time Out London “A superb police detective.” –Library Journal Also published under the title Death in High Water

Donna Leon has topped European bestseller lists for more than a decade with a series of mysteries featuring clever Commissario Guido Brunetti. Always ready to bend the rules to uncover the threads of a crime, Brunetti manages to maintain his integrity while maneuvering through a city rife with politics, corruption, and intrigue. In A Noble Radiance a new landowner is summoned urgently to his house not far from Venice when workmen accidentally unearth a macabre grave. The human corpse is badly decomposed, but a ring found nearby proves to be a first clue that reopens an infamous case of kidnapping involving one of Venice’s most aristocratic families. Only Commissario Brunetti can unravel the clues and find his way into both the heart of patrician Venice and that of a family grieving for their abducted son.

The Italian police detective’s latest case hits close to home, in this novel in the New York Times–bestselling series. For Commissario Brunetti, it began with an early morning phone call. In the chill of the Venetian dawn, a sudden act of vandalism shatters the quiet of the deserted city. But Brunetti is shocked to find that the culprit waiting to be apprehended at the scene is someone from his own family. Meanwhile, Brunetti is under pressure from his superiors to solve a daring robbery with a link to a suspicious accidental death. Does it all lead back to the Mafia? And how are his family’s actions connected to these crimes? The truth must be uncovered in this novel in the Silver Dagger Award–winning series by “one of the best of the international crime writers” (Rocky Mountain News). “Leon’s devoted readers love her books for their juicy mystery plots, and also for the rich and varied cast of recurring characters, among which is the city of Venice itself.” –Publishers Weekly

The New York Times–bestselling series continues with the murder of an American soldier in Venice: “This is definitely an author to watch (Kirkus Reviews). Early one morning, Commissario Guido Brunetti of the Venice police confronts a grisly sight when the body of a young man is fished out of a fetid canal. All clues point to a violent mugging, but for Brunetti the motive of robbery seems altogether too convenient. When something discovered in the victim’s apartment suggests the existence of a high-level conspiracy, Brunetti becomes convinced that somebody, somewhere, is taking great pains to provide a ready-made solution to the crime. Rich with atmosphere and marvelous plotting, Death in a Strange Country is a superb novel in Donna Leon’s chilling Venetian mystery series. Praise for Donna Leon and the Commissario Brunetti Mysteries “One of the best international crime writers is Donna Leon, and her Commissario Guido Brunetti tales set in Venice are at the apex of continental thrillers.” –Rocky Mountain News “Leon’s books shimmer in the grace of their setting and are warmed by the charm of her characters.” –The New York Times Book Review “Brunetti . . . long ago joined the ranks of the classic fictional detectives.” –Evening Standard “Commissario Brunetti, most charismatic current Euro-cop, uncovers deadly ants’ nest of corruption. A highly accomplished, scary read.” –The Guardian

Two detectives go undercover in Venice, Italy, in the New York Times–bestselling series by “the undisputed crime fiction queen” (The Baltimore Sun). A priest recently returned from years of missionary work has made a personal request of Commissario Guido Brunetti—but the police detective suspects the man’s motives. A new, American-style Protestant sect has begun to meet in Venice, and it’s possible the priest is merely apprehensive of the competition. But the preacher could also be fleecing his growing flock, so Brunetti and Inspector Vianello, along with their wives, decide to go undercover. In the midst of the investigation, though, the body of a Gypsy child washes up in a canal—and Brunetti finds himself haunted by both the crime and the girl . . . “No one knows the labyrinthine world of Venice or the way favoritism and corruption shape Italian life like Leon’s Brunetti . . . the thoughtful Venetian cop with a love of food, an outspoken wife, and a computer-hacker secretary.” –Time “Gorgeously written.” –The New York Times Book Review

A conductor succumbs to cyanide at the famed Venice opera house, in the first mystery in the New York Times–bestselling, award-winning series. During intermission at the famed La Fenice opera house in Venice, Italy, a notoriously difficult and widely disliked German conductor is poisoned—and suspects abound. Guido Brunetti, a native Venetian, sets out to unravel the mystery behind the high-profile murder. To do so, he calls on his knowledge of Venice, its culture, and its dirty politics. Along the way, he finds the crime may have roots going back decades—and that revenge, corruption, and even Italian cuisine may play a role. “One of the most exquisite and subtle detective series ever.” –The Washington Post “A brilliant writer . . . an immensely likable police detective who takes every murder to heart.” –The New York Times Book Review

A wall of silence surrounds a cadet’s death at an elite military academy: “Superb . . . This is an outstanding book.” –Publishers Weekly Detective Commissario Guido Brunetti has been called to investigate a parent’s worst nightmare. A young cadet has been found hanged, a presumed suicide, in Venice’s elite military academy. Brunetti’s sorrow for the boy, so close in age to his own son, is rivaled only by his contempt for a community that is more concerned with protecting the reputation of the school, and its privileged students, than understanding this tragedy. The young man is the son of a doctor and former politician—a man of impeccable integrity, all too rare in politics. Dr. Moro is clearly devastated; but while both he and his apparently estranged wife seem convinced that the boy’s death could not have been suicide, neither appears eager to talk to the police or involve Brunetti in any investigation of the circumstances in which he died. As Brunetti pursues his inquiry, he is faced with a wall of silence. Is the military protecting its own? And what of the other witnesses? Is this the natural reluctance of Italians to involve themselves with the authorities, or is Brunetti facing a conspiracy far greater than this one death? “Brunetti is a compelling character, a good man trying to stay on the honest path in a devious and twisted world.” –The Baltimore Sun
