B777 Study Guide is available for download for subscribed users. The B777 Study Guide was developed as a personal document to ease my study and review of company policies and procedures. Over the years it has become a more extensive document and more people have requested copies for their use. While I very much enjoy keeping the manual up to date and am happy that others find the document useful.

The Boeing 777 Study Guide is a compilation of notes taken primarily from flight manuals, but also includes elements taken from class notes, computer-based training, and operational experience. It is intended for use by initial qualification crewmembers, and also for systems review prior to recurrent training or check rides. The book is written in a way that organizes in one location all the buzz words, acronyms, and numbers the average pilot needs to know in order to get through the events ...
