Beyond the Mountains of Madness is an epic campaign for Call of Cthulhu that sweeps the investigators from New York to the depths of the Antarctic wastes. It is, without a doubt, one of the finest campaigns that Chaosium has ever published, although running it successfully will be a test for the most experienced gamemasters.

I'm a newbie GM preparing a Medium- long running campaign for about 4,5 people. Decided to create my own story and have the path more or less set.

Beyond the Mountains of Madness : callofcthulhu
My only critique in that Beyond the Mountains of Madness has a few Edgar Allan Poe and John Campbell-based side-plots which were clearly left unfinished. Although the main campaign stands squarely on its own, I feel a revised version could develop these intriguing ideas more fully.
