Humble beans are the true MVPs of the kitchen. They have a long shelf life, are packed with protein, and best of all, they taste great in a wide variety of applications. This collection of 20 foolproof recipes gives beans their due, putting them center stage in recipes such as Ultracreamy Hummus (you've never had homemade hummus this velvety-smooth) and White Bean and Tuna Salad (two pantry-friendly ingredients come together for a dish that's greater than the sum of its parts). We share the secrets to making light and crispy Falafel as well as irresistible soups and sides. Whether you're looking for breakfast inspiration (our recipe for Scrambled Eggs with Pinto Beans and Cotija Cheese delivers tender eggs with a mildly spicy kick), internationally inspired mains such as Palak Dal (Spinach Dal with Cumin and Mustard Seeds) and Tuscan Shrimp and Beans, or hearty vegetarian dishes such as Black Bean Burgers and Meatless "Meat" Sauce with Chickpeas and Mushrooms, this collection gives you 20 great reasons to put beans on the menu.

Managing the Fiscal Metropolis: The Financial Policies, Practices, and Health of Suburban Municipalities is an important book. This first comprehensive analysis of the financial condition, management, and policy making of local governments in a metropolitan region offers local governments currently dealing with the Great Recession a better understanding of what affects them financially and how to operate with less revenue. Hendrick's groundbreaking study covers 264 Chicago suburban municipalities from the late 1990s to the present. In it she identifies and describes the primary factors and events that affect municipal financial decisions and financial conditions, explores the strategies these governments use to manage financial conditions and solve financial problems, and looks at the impact of contextual factors and stresses on government financial decisions. Managing the Fiscal Metropolis offers new evidence about the role of contextual factors—including other local governments—in the financial condition of municipalities and how municipal financial decisions and practices alter these effects. The wide economic and social diversity of the municipalities studied make its findings relevant on a national scale.

Are you ready to take the next step in your author journey? Art for the sake of art is important. Writing for the love of it, or to create something beautiful on the page, is absolutely worthwhile and critical to expand the sum of human expression. But I'm not here to talk about creativity or the craft of writing in this book. My aim is to take the result of your creativity into the realm of actually paying the bills. To take you from being an author to running a business as an author. I was a business consultant for 13 years before I gave up my job in September 2011 to become a full-time author-entrepreneur. I worked for large corporates and small businesses, implementing financial systems across Europe and Asia Pacific. I've also started a number of my own businesses "" a scuba dive charter boat in New Zealand, a customized travel website, a property investment portfolio in Australia as well as my freelance consultancy. I've failed a lot and learned many lessons in my entrepreneurial life and I share them all in this book. In the last six years of being an author, through tempestuous changes in the publishing world, I've learned the business side of being a writer and I now earn a good living as an author-entrepreneur. I'm an author because it's my passion and my joy but also because it's a viable business in this age of global and digital opportunity. In the book, you will learn: Part 1: From Author To Entrepreneur The arc of the author's journey, definition of an author-entrepreneur, deciding on your definition of success. Plus/ should you start a company? Part 2: Products and Services How you can turn one manuscript into multiple streams of income by exploiting all the different rights, various business models for authors and how to evaluate them, information on contracts, copyright and piracy Plus/ putting together a production plan. Part 3: Employees, Suppliers and Contractors The team you need to run your business. Your role as author and what you're committing to, as well as co-writing. Editors, agents and publishers, translators, book designers and formatters, audiobook narrators, book-keeping and accounting, virtual assistants. Plus/ how to manage your team. Part 4. Customers In-depth questions to help you understand who your customers are and what they want, as well as customer service options for authors. Part 5: Sales and Distribution How to sell through distributors and your options, plus all the information you need to sell direct. ISBNs and publishing imprints "" do you need them? Plus/ your options for pricing. Part 6: Marketing Key overarching marketing concepts. Book-based marketing including cover, back copy and sales pages on the distributors. Author-based marketing around building your platform, and customer-based marketing around your niche audience and targeted media. Part 7. Financials Revenues of the author business and how to increase that revenue. Costs of the author business and funding your startup. Banking, PayPal, accounting, reporting, tax and estate planning. Part 8: Strategy and Planning Developing your strategy and business plan. Managing your time and developing professional habits. The long-term view and the process for becoming a full-time author. Plus/ looking after yourself. Part 9: Next Steps Questions from the book to help you work out everything to do with your business, plus encouragement for your next steps. Appendices, Workbook and Bonus Downloads including a workbook and business plan template. If you want to go from being an author to running a business as an author, download a sample or buy now.

A practical tutorial with powerful yet simple projects that are quick to implement. This book is aimed at developers who have prior jQuery knowledge, but may not have any prior experience with jQuery Tools. It is possible that they may have started with the basics of jQuery Tools, but want to learn more about how it can be used, as well as get ideas for future projects.

The complete New York Times, USA Today and Wallstreet Journal bestselling trilogy in a single volume! "Calling all Fifty Shades of Grey and Crossfire Series fans! If you've been looking for your next fix, this is the series for you! Talk about some serious YUM!" --Read-Love-Blog Who is Sebastian Lock? Sophia Pearce only has eyes for one thing; a partnership position at her prestigious Sydney law firm. But when a drunken bout of curiosity leads her somewhere forbidden, she meets Sebastian Lock, and in the blink of an eye, everything changes. Gorgeous, commanding, and radiating charm, he is exactly the sort of silver-tongued rake Sophia has sworn to avoid. Unfortunately, he doesn't care much for her promises. Every instinct tells her to run, but the chemistry between them is as inescapable as gravity. Soon, he's opening her eyes to a whole new world of pleasures, pleasures she never thought she'd enjoy. There's just one problem: Sebastian is more than he seems. Between the famous company he keeps and the almost paranoid secrecy of his employers, he's a puzzle Sophia can't quite solve. Their passion for one another consumes them, but as Sebastian's secrets begin to unravel and lives are thrown into jeopardy, Sophia must answer one simple question: What is she willing to risk for love? All up, these three books are over 130,000 words, or about 500 pages. They contains erotic content and a dominant man who always gets what he wants in the bedroom. They are intended for readers aged 18 and over.
