How plausible is it to examine the medium of film through a Christian lens? Are there any grounds for supposing that, in 'going to the movies', one is participating in a religious activity? Faith in Film identifies

and explores these key questions. From the unprecedented and innovative perspective of Christian theology, this book investigates how cinema audiences wrestle with religious beliefs and values. Through a reading of films as diverse as Groundhog Day, Billy Liar, Fight Club, Nobody's Fool and The Passion of the Christ, Deacy reveals that the movies raise vital questions about the spiritual landscape and normative values of western society today.

WELCOME TO THE END OF THE WORLD! Disease-K has decimated the world leaving its victims shambling homicidal maniacs. And nestled along the warm Gulf waters sits Gulf Shores...the last outpost of civilization. With looters and thieves preying on the shocked survivors, it's up to the retirees and bank tellers, phone repairmen and charterboat captains to put the town back together. **THE SHADOWS ARE GATHERING OUTSIDE OF TOWN!** There, in the sands and marshes of the Gulf of Mexico, the citizens of Gulf Shores along with scattered military units, a downed Air Force pilot, and a lone Coast Guard cutter form the last line of defense against the amassing horde of the infected marching its way toward the sea destroying what's left of humanity along the way. As summer gives way to the fall and the cold winds blow off the sea, Gulf Shores draws the line and prepares to make the... **THE LAST STAND ON ZOMBIE ISLAND!**

"Over half a century has passed since I cut my teeth on an old .36 Navy Colt. For 40 years I have almost never been out of easy reach of a good sixgun. Thirty years I spent in the saddle, packing, punching cows and breaking saddle brones. The sixgun was worn just as regularly as my pants and many times was much more important to my existence. It pulled me out of several tight scrapes with wild horses, wilder cattle and some big game. Though I have witnessed several gun fights, have had guns pulled on me and have been shot at several times, I have never had to use my gun on a man. Several times it was touch-and-go and perhaps only the current knowledge that I was both fast and accurate with a sixgun saved me from being embroiled. Though I do not recommend a sixgun for big game, thirty head of big game have fallen to mine, including elk, bear, deer, cougar, mountain goat and javelina. I have also trailed up a great many big game animals of various species that were wounded by sportsmen and then I finished them off. No record was kept of these or the many coyotes, bobcats and lesser game, or the livestock I have had to kill." This classic includes the following chapters: Introduction I. History of the Sixgun II. Selecting the Handgun III. Learning To Shoot IV. Sixgun Sights V. Long Range Shooting VI. Game Shooting VII. Double Action Shooting VIII. Gun Rigs and Holsters IX. Quick Draw and Hip Shooting X. Gun Fighting XI. Revolver Versus Auto Pistol XII. Aerial and Trick Shooting XIII. Slip Shooting, Fanning, Cavalry Guns XIV. Loading and Management of Cap and Ball Sixguns XV. Repairs, Remodeling, Resighting XVI. A Bullet Chapter XVII. Cartridge Reloading XVIII. Selection of Cartridges XIX. Ornamentation, Barrel Lengths, Balance, Velocities XX. Care and Cleaning Supplement

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.
