The Dam Busters March is the theme to the 1955 British war film The Dam Busters. The musical composition, by Eric Coates, has achieved the distinction of becoming synonymous with both the film and the real Operation Chastise. The Dam Busters March remains a very popular accompaniment to flypasts in the UK.

Synonymous with the film, Dambusters can now barely be thought of without immediately conjuring Eric Coates' famous melody. Still a firm favourite military band number at flypasts, Eric Coates' popular theme to the classic British war movie from 1955 is a great example of a piece of music that has become just as famous as the film it comes from.

A special edition of The Dam Busters by Paul Brickhill reissued with a bright retro design to celebrate Pan ' s 70th anniversary. On 17 May 1943, nearly 350 million tons of water crashed into the valleys of the Ruhr when the Lancaster bombers of 617 Squadron breached the giant Moehne and Eder Dams with colossal

' blockbuster ' bombs. The Dam Busters tells the story of the raid and the squadron of fearless airmen who carried it through. Again and again, the crews of 617 Squadron Bomber Command used their flying skills, their tremendous courage and Barnes Wallis ' highly accurate bouncing bombs to deal devastating blows to Nazi Germany. One of the most daring true stories to emerge from the Second World War, Paul Brickhill ' s The Dam Busters inspired the famous 1955 film starring Michael Redgrave and Richard Todd.

On 16 May 1943, nineteen Lancaster aircraft from the RAF ' s 617 Squadron set off to attack the great dams in the industrial heart of Germany. Flying at a height of 60ft, they dropped a series of bombs which

bounced across the water and destroyed two of their targets, thereby creating a legend. The one-off operation combined an audacious method of attack, technically brilliant flying and visually spectacular results. But while the story of Operation Chastise is well known, most of the 133 ' Dambusters ' who took part in the Dams Raid have until now been just names on a list. They came from all parts of the UK and the Commonwealth and beyond, and each of them was someone ' s son or brother, someone ' s husband or father. This is the first book to present their individual stories and celebrate their skill, heroism and, for many, sacrifice.

They fondly remember the times when they buzzed over the homes of

More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.
