Edition. This new edition of Economics Today: The Micro View covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in their own lives while providing them with many ways to evaluate their understanding of key concepts covered in each chapter. Each chapter begins and ends with an Issues and Applications feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to
