For Jane Austen fans who always wished her fun and witty books had more heat. The Mistress in the Making historical Regency series features sizzling hot Regency romance; character-driven, feel-good interactions that bring smiles and laugh out loud moments; and a heart warming HEA. [I recommend all three of the Mistress in the Making books to anyone who enjoys electric passion, witty humor, and a beautiful love story!](#) [Reading Rebel Reviews](#) [I did so enjoy reading all three books about the growing love between Thea and Daniel. They were funny and well written and I can't wait to read more of this author's books. Highly recommended reads and definitely keepers!](#) [Five-Star UK Reviewer](#) Seductive Silence (Book 1) [Pestered by a persistent stammer, a regency lord with a keen interest in orreries and boxing—but not in talking—must find a way to woo his new mistress without words. Recently widowed and increasingly poor, Thea's been reduced to sharing her rented room with rodents and arguing over every morsel \(the mice usually win\). So when a friend suggests Thea consider a scandalous alliance, she cannot help but be intrigued](#) [Lusty Letters \(Book 2\)](#) [Thea's fascinating new protector has secrets—several. Hesitant to destroy her newfound circumstances, she stifles her longing to know everything about the powerfully built—and frustratingly quiet—Marquis. But then his naughty notes start to appear, full of humor and wit, and Thea realizes she's about to break the cardinal rule of mistressing—that of falling for her new protector. Egad. Lord Tremayne takes to writing letters to woo his new mistress, little realizing how their fun, flirty exchanges will quickly become the light of his day. Or how wretched he'll feel when the charming Thea suggests they banter in person, possibly pen poetry—together. Blazing ballocks! Is she insane? Daring Declarations \(Book 3\)](#) [An evening at the opera could prove Lord Tremayne's undoing when he and his lovely new paramour cross paths with his sister and brother-in-law. Introducing one's socially unacceptable strumpet to his stunned family is never done. But Daniel does it anyway. And it might just be the best decision he's ever made, for Thea's quickly become much more than a mistress—and it's time he told her so. The sweet and spicy, 117,000 word Mistress in the Making historical romance bundle is a fun, "sexy Jane Austen styled", emotionally satisfying tale told in three parts: Seductive Silence, Lusty Letters, and Daring Declarations. Statistics don't lie. Moms today are more fatigued, burned out, and overwhelmed than ever. Smartphones constantly ping and alert and demand our attention. And social media can eat up hours of our days with mindless scrolling and tapping while leaving many feeling empty and lonely. Add to that family commitments, work that is accessible around the clock, and overscheduling, and you have a life that can feel unmanageable and frantic . . . even running on empty. Bestselling author and founder of Simplified®, Emily Ley shares how to live a life of more in a world that often overwhelms to the point of burnout in *When Less Becomes More*. Emily empathizes with mothers in the throes of exhaustion and provides tools for nourishing their spirits and achieving a life where less becomes more. In this book, Emily Ley, author of the bestselling *Grace*, *Not Perfection* and *A Simplified Life*, takes readers on a journey out of that empty place and shows them how to fill their wells with the nourishment that only true connection can provide. She also presents some radical concepts that push against the tethers of modern life, with the promise that more of the good stuff comes when we say yes to less of what keeps us empty: *Less Rush, More Rhythm*
