A nursing case study is an in-depth analysis and subsequent description of a patient or a number of them suffering from a particular disease or condition for promotion of detailed understanding about their circumstances. It may also cover a detailed analysis of one person or group as a model for medical and healthcare phenomena.

## **How To Write A Nursing Case Study Assignment**

Nursing fundamentals is a class required by most nursing programs that nursing students take during the first semester of nursing school. This class is also known as nursing foundations, depending on what your nursing program calls it. Many nursing programs split this class into a lecture (which is attended throughout the semester) and then a skills lab and clinical site.
