The 2 nd edition of the SAGE Handbook
of Research in International Education is a
welcomed and timely contribution to the
field. Additional chapters in intercultural
competence, organizational development
and peace education as well as other
significant revisions to the text continue to
expand our views of the field and the lens
that we use to define, describe and capture
international education.

Ulysses and Finnegans Wake . James
Joyce (1882–1941) occupies a complex
position in respect to the Irish Revival,
