How to Do Absolutely Everything With Video
To do anything, first come up with a specific goal that you want to accomplish, like running a marathon by the end of the year or learning a new language in 6 months. Then, research everything you need to do to achieve it, and break your goal down into smaller, easier steps that you can work on accomplishing one at a time.

How To Do Everything: by Steve Smith

Of course, you can't find time to do everything you want in life if you're squandering the precious little time that you do have. Time is the most valuable commodity because we can't make more of it. In fact, time is far more valuable than money. You can make and lose money easily, but you can't make more time.
