Many U.S. high schools require students to take one year or more of a foreign language. While this may seem like an inconvenience to some, knowledge of a foreign language is actually beneficial.

Receive a discounted price of \$2.99 per book when 10 or more copies are ordered, see item #8159! These flexible assessments can be used both in correlation with the Primary Sources kits or as stand-alone practice pieces for a variety of standardized tests. The Student Edition contains an assessment with the following types of questions: multiple choice, constructed-response, and documents leading to a DBQ (Document-Based Question) task. BOOK 1-9 COPIES.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied.

Teaching Vocabulary to Improve Reading Comprehension.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. being studied. For older students, use Red Hot Root Words, Book 2. Grades 3-5

Facilitate fun and functional phonics instruction using Prefixes and Suffixes for grades 3 and up. This 192-page resource features hands-on, minds-on manipulative activities in which students learn to decode words and properly use common prefixes, suffixes, and spelling changes. The book supports the Four-Blocks(R) Literacy Model and includes 120 dynamic lessons that encourage students to learn phonics and spelling through the Word Wall and Making Words activities. This book also includes review and extension activities, reproducibles, take-home word walls, and word lists.

This book presents a compilation of terms frequently encountered in the vocabulary of medicine. You will find a dash (-) appended to indicate that this word is incomplete, and there is something which comes before the medical term or behind the medical term. The terms, in this work, provide a map for students to begin to understand a complex language as the various component of the words (roots, suffixes, prefixes) are strung together to form a complete word.. It is then that the student began to get a picture of the meaning of the word as the components began to fit together. Roots, Suffixes, Prefixes is provided as a reference for our Anatomy and Physiology students and Medical Assistants. It is as indispensable for nursing students and other students in the medical field. The book is compiled alphabetically for ease of access. Hats off to all students, especially the Medical Assistant students of American Commercial College, San Angelo, Texas. We appreciate hearing from you, as well as others, concerning your opinion regarding use of this book - suggestions and constructive criticisms needed. It is your feedback that provides the basic of each revision. Remember you are the reason why this work is effected, and it is you that underwrites future editions.

AFFIX A letter or group of letters added to the beginning or end of a word to get a new word with a changed meaning. Examples – im- in impossible; ntier- in international -able in agreeable; -er in learner
