Disposal of Unused Pharmaceuticals . . .

Collecting 'controlled medicine' from a pharmacy on behalf of someone else
Controlled medicines include morphine, pethidine and methadone. Controlled medicines are sometimes misused so they have stricter legal controls on their supply. If you're collecting a "controlled medicine" for someone else, the pharmacist may ask you for proof of identity.

EPA encourages the public to take advantage of pharmaceutical take-back collection programs that accept prescription or over-the-counter drugs, as these programs offer a safe and environmentally-conscious way to dispose of unwanted medicines. This may be at a location such as a local law enforcement agency, retail pharmacy, hospital or clinic.
