created to stop the Iranians, Russians, Chinese, Pakistanis, and North Koreans from acquiring sophisticated American-made electronics capable of guiding missiles, jamming radar, and triggering countless weapons--from wireless IEDs to nuclear bombs. The US agents must outwit not only enemy brokers, but American manufacturers and global bankers too willing to put profit over national security. The three-year sting in Operation Shakespeare climaxes when the US agents lure the Iranian broker to a former Soviet republic with the promise of American-made radar, fighter-jet and missile components, then secretly drag him back to the United States, where he is held in secret for two years. The laptop the Iranian carries into the sting provides the CIA with a treasure trove, a virtual roadmap to Tehran's clandestine effort to obtain US military technology. Tenacious,

In the winter of 1795, a frustrated young writer named William Henry Ireland stood petrified in his father's study as two of England's most esteemed scholars interrogated him about a tattered piece of paper that he claimed to have found in an old trunk. It was a note from William Shakespeare. Or was it? In the months that followed, Ireland produced a torrent of Shakespearean fabrications: letters, poetry, drawings—even an original full-length play that would be hailed as the Bard's lost masterpiece and staged at the Drury Lane

Theatre. The documents were forensically implausible, but the people who inspected them ached to see first hand what had flowed from Shakespeare's quill. And so they did. This dramatic and improbable story of Shakespeare's teenaged double takes us to eighteenth century London and brings us face-to-face with history's most audacious forger.

The Brotherhoods is the chilling chronicle of the alleged crimes and betrayals of NYPD Detectives Stephen Caracappa and Louis Eppolito, notorious rogue cops who stand charged with the ultimate form of police corruption-shielding their crimes behind their badges while they worked for the mob. These crimes included murder, kidnapping, torture, and the betrayal of an entire generation of New York City detectives and federal agents. This gripping real-life detective story reveals

two brotherhoods, both with hierarchies, rituals, and codes of conduct. Chased for seven years by William Oldham, the brilliant and determined detective who didn't let the case die, Detectives Caracappa and Eppolito are at the centre of an investigation that moves from the mobbed-up streets of Brooklyn to Hollywood sets and the Las Vegas strip. Co-written with prize-winning investigative journalist Guy Lawson, the story spans three decades and showcases a cast of characters that runs the gamut from capo psychopaths to grieving mothers to a group of retired detectives and investigators working to see that justice is done. This quintessential American mob tale, both bizarre and compelling, ranks with such modern crime classics as *Serpico*, *Donnie Brasco*, and *Wiseguy*.

Selected by the Modern Library as one of

Read Free Operation Shakespeare The True

the 100 best nonfiction books of all time
From the Modern Library's new set of
beautifully repackaged hardcover classics
by Truman Capote—also available are
Breakfast at Tiffany's and Other Voices,
Other Rooms (in one volume), Portraits
and Observations, and The Complete
Stories Truman Capote's masterpiece, In
Cold Blood, created a sensation when it
was first published, serially, in The New
Yorker in 1965. The intensively
researched, atmospheric narrative of the
lives of the Clutter family of Holcomb,
Kansas, and of the two men, Richard
Eugene Hickock and Perry Edward Smith,
who brutally killed them on the night of
November 15, 1959, is the seminal work
of the "new journalism." Perry Smith is
one of the great dark characters of
American literature, full of contradictory
emotions. "I thought he was a very nice
gentleman," he says of Herb Clutter. "Soft-

Read Free Operation Shakespeare The True

spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’ flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

An astonishing true story of how the CIA, MI6 and a Soviet defector saved the world in 1962 In August 1960, a Soviet colonel called Oleg Penkovsky tried to make contact with the West. His first attempt was to approach two young American students in Moscow. He handed them a bulky envelope and pleaded with them to deliver it to the American embassy. MI6 and the CIA came to believe Penkovsky

Story Of An Elite
International Spies

was genuine and so the two agencies decided to run the operation jointly. It ran right through the Berlin crisis -- in an astonishing near-miss, Penkovsky learned that the Wall was going to be built four days before it happened but was unable to contact his handlers -- and the Cuban Missile Crisis, in which rocket manuals Penkovsky had handed over were crucial in determining what Khrushchev was doing, and helped Kennedy and his team end the crisis and avert a nuclear war. Penkovsky, codenamed HERO, is widely seen as the most important spy of the Cold War, and the CIA-MI6 joint operation to run him has never been bettered. But had the KGB already 'turned' Penkovsky and were the Russians making sure he saw the information they wanted him to see? If so, it may even have been possible that the whole Cuban Missile Crisis might have been a Russian deception operation.

Thrilling, evocative and hugely controversial, Codename Heroblows apart some of the myths about one of the Cold War's most well-known operations as the world stood on the brink of nuclear destruction. PRAISE FOR THE PAUL DARK TRILOGY: * 'A wholly engrossing and sophisticated spy novel . . . Fascinating and compelling' William Boyd

The Wall Street Journal called him “a living legend.” The London Times dubbed him “the most famous art detective in the world.” In Priceless, Robert K. Wittman, the founder of the FBI’s Art Crime Team, pulls back the curtain on his remarkable career for the first time, offering a real-life international thriller to rival The Thomas Crown Affair. Rising from humble roots as the son of an antique dealer, Wittman built a twenty-year career that was nothing short of extraordinary. He went

Read Free Operation Shakespeare The True

undercover, usually unarmed, to catch art thieves, scammers, and black market traders in Paris and Philadelphia, Rio and Santa Fe, Miami and Madrid. In this page-turning memoir, Wittman fascinates with the stories behind his recoveries of priceless art and antiquities: The golden armor of an ancient Peruvian warrior king. The Rodin sculpture that inspired the Impressionist movement. The headdress Geronimo wore at his final Pow-Wow. The rare Civil War battle flag carried into battle by one of the nation's first African-American regiments. The breadth of Wittman's exploits is unmatched: He traveled the world to rescue paintings by Rockwell and Rembrandt, Pissarro, Monet and Picasso, often working undercover overseas at the whim of foreign governments. Closer to home, he recovered an original copy of the Bill of Rights and cracked the scam that rocked

Read Free Operation Shakespeare The True

the PBS series *Antiques Roadshow*. By the FBI's accounting, Wittman saved hundreds of millions of dollars worth of art and antiquities. He says the statistic isn't important. After all, who's to say what is worth more --a Rembrandt self-portrait or an American flag carried into battle? They're both priceless. The art thieves and scammers Wittman caught run the gamut from rich to poor, smart to foolish, organized criminals to desperate loners. The smuggler who brought him a looted 6th-century treasure turned out to be a high-ranking diplomat. The appraiser who stole countless heirlooms from war heroes' descendants was a slick, aristocratic con man. The museum janitor who made off with locks of George Washington's hair just wanted to make a few extra bucks, figuring no one would miss what he'd filched. In his final case, Wittman called on every bit of knowledge

Read Free Operation Shakespeare The True

and experience in his arsenal to take on his greatest challenge: working undercover to track the vicious criminals behind what might be the most audacious art theft of all.

Without William Shakespeare, we wouldn't have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.
