Scots in the American Civil War

Scotch-Irish (or Scots-Irish) Americans are American descendants of Ulster Protestants who immigrated from northern Ireland to America during the 18th and 19th centuries, whose ancestors had originally migrated mainly from the Scottish Lowlands and northern England (and sometimes from the Anglo-Scottish border).

Scotch-Irish Americans - Wikipedia

The majority of Scots immigrating to the West disembarked at Atlantic ports; however, some sailed to New Orleans and then up the Mississippi River to St. Louis; and a few even went directly to San Francisco. By 1883 Scottish immigrants and their offspring could be found in every Western state and territory.

Event Program Scots in the American West

Initial interaction between Scotland and the North American West might best be grouped under two general headings: the fur trade and exploration. From the 1790s forward, Scots pioneers played crucial roles in each area. That they did so can be directly linked to the complex cultural forces that have molded the Scottish people.
