Amazing Ways to Live in the Desert:Strong In The Rain Surviving Blending history, science, and gripping storytelling, Strong in the Rain brings the 9.0 magnitude earthquake that struck Japan in 2011 and its immediate aftermath to life through the eyes of the men and women who experienced it. Following the narratives of six individuals, the book traces the shape of a disaster and the heroics it prompted, including that of David Chumreolert, a Texan with Thai roots, trapped in his school's gymnasium with hundreds of students and teachers as it begins to ...
