Give your soon-to-be first grader a head start on their upcoming school year with Summer Bridge Activities: Bridging Grades K-1. With daily, 15-minute exercises kids can review rhyming and counting and learn new skills like telling time and writing complete sentences. This workbook series prevents summer learning loss and paves the way to a successful new school year. --And this is no average workbook! Summer Bridge Activities keeps the fun and the sun in summer break! Designed to prevent a summer learning gap and keep kids mentally and physically active, the hands-on exercises can be done anywhere. These standards-based activities help kids set goals, develop character, practice fitness, and explore the outdoors. With 12 weeks of creative learning, Summer Bridge Activities keeps skills sharp all summer long!

Jessica Shumway has developed a series of routines designed to help young students internalize and deepen their facility with numbers. The daily use of these quick five-, ten-, or fifteen-minute experiences at the beginning of math class will help build students' number sense. --from publisher description

Math Workbook 2nd grade : Summer Packet. This math packet covers almost every second grade Common Core State Standards (I believe 5 standards were not included). Each page has a student-friendly objective and the standard domain listed. The packet would be a great idea for 2nd graders who do not want to lose math principles over the summer 1st graders entering 2nd grade who want a head start or 3rd graders who need review. The summer packet is fun, and includes mystery picture activities. The packet covers: 2.OA.1 Addition and Subtraction with word problems 2.OA.2 Addition and Subtraction facts 2.OA.3 Grouping objects 2.OA.4 Repeated Addition as Multiplication 2.NBT.1 Fluently adding and subtracting within 100 2.NBT.2 Counting to 1000 by 1,5,10,100 2.NBT.3 Reading and writing numbers to 1000 in different ways 2.NBT.4 Comparing 3-digit numbers 2.NBT.6 Add more than 2 big numbers 2.NBT.7 Adding and Subtracting with regrouping 2.NBT.8 Adding and Subtracting 10s and 100s mentally 2.MD.1 Using different tools to measure objects 2.MD.3 Estimating the length of objects 2.MD.5 Using addition and subtraction in word problems 2.MD.6 Creating and using a number line 2.MD.7 Telling time to five minutes 2.MD.8 Counting money 2.MD.10 Making a bar graph 2.G.1 Naming shapes Helpful reviews from teacher and parents I was looking for a packet that I could just print and send with my kids. This has just the right amount of work and it has great problems for first graders to practice second grade skills. Used this for review the first few weeks of third grade. Will continue to use for students still needing help in these skills! Thank you!

Eliminate summer learning loss with this easy-to-use resource for parents. Keeping the skills your child learned in fourth grade sharp while on break from school will help his or her fifth grade year get off to a great start. This standards-based tool provides 9 weeks of engaging and relevant lessons that support content learning in social studies, writing, reading, science, math, and art. This resource makes summer learning fun by incorporating everyday family activities that are easy for parents to implement. This standards-based resource also addresses shifts in Common Core and other state standards, and the parental-support tools will help parents prepare their children for academic success.

Learn at home. Simple, guided lessons and activities that you can use to help keep your child on track from home! Anxious about your child's learning this year, but overwhelmed figuring out where to start? Written for parents looking for extra help during the unique challenges of hybrid classes and remote learning, 1st Grade at Home provides simple support to help keep your child's education on track.

Eliminate summer learning loss with this easy-to-use resource for parents. Keeping the skills your child learned in kindergarten sharp while on break from school will help his or her first grade year get off to a great start. This standards-based tool provides 9 weeks of engaging and relevant lessons that support content learning in social studies, writing, reading, science, math, and art. This resource makes summer learning fun by incorporating everyday family activities that are easy for parents to implement. This standards-based resource also addresses shifts in Common Core and other state standards, and the parental-support tools will help parents prepare their children for academic success.

Never lose another Flash Card again! Help children develop understanding, mastery, and recall of related facts. Includes 156 addition and subtraction facts through 12 + 12 and 24 - 12 in a vertical format. Addition problems are on one side, subtraction problems are on the other side. Features helpful learning hints plus an addition chart. Great for individual use or small and large group instruction.

Daily Language Review helps you build students' language skills with focused practice covering grammar, punctuation, usage, and sentence editing skills. And an all-new, easy-to-read scope and sequence chart helps teachers document the skills being covered. The set contains 5 Student books
