DAMASCUS, Nov. 8 (Xinhua) -- Syrian President Bashar al-Assad on Sunday made a big change in the military service law, mainly for Syrian expatriates, the state news agency SANA reported. The new amendment to the law is mainly about setting military service exemption fees for Syrians living abroad and for one category of Syrians inside the country.

Supreme Court to hear challenge to California farm labor ...

Since the 1930s, federal
labor laws have protected
workers and their right to
organize and join a union.
But most of those laws did
not protect agricultural
laborers, the state's
lawyers said. That prompted
California's Legislature to
adopt the Agricultural Labor
Relations Act in 1975 to
protect the rights of
farmworkers.
