Being a successful attorney does not always mean that you have the acumen to run your business to its maximum potential. Between managing your clients, your time, and your finances, you may spend more time on day-to-day tasks than the actual business of law. Luckily, there's a solution. Finding the right organizational tools can take all the hardship out of running a practice, and PCLaw is the best time, billing, accounting and practice management software on the market. But even the best tools can be limiting without the proper guidance and support. The Lawyer's Guide to PCLaw Software by law practice management expert Steven J. Best delves into the intricacies of PCLaw and gives you the knowledge you need to take control of your practice with maximum results. This book will cover:-Concepts and functions of PCLaw--Properly setting up the program to work best for your practice--Effective organization of both clients and their cases--Accurately calculating your fees and time--Expense recovery--Financial management, including check writing, billing, and client receipts--Closing your months and running reports--Using advanced features of the software--Adapting PCLaw to most every type of law practice

Worried about the economy? Are you a lawyer out of work? Are you afraid you will be laid off? Are you struggling to manage your firm through a down economy? In a single volume. *How Good Lawyers Survive Bad Times* will provide you with a wealth of tips, resources, and tools to help you survive in bad times, as well as teach you management, finance, marketing and technology essentials necessary to succeed. The weak economy and large number of firm layoffs have resulted in a flood of potential new solo and small firm lawyers---starting their own practices in the wake of the exodus from Big Law. Small practice lawyers, well seasoned or just starting out, can gain immeasurably by just applying even a few of the myriad tips within this book. The book is divided into three parts: Each part provides practical tips and insightful tools that are concise and easy to read for quick reference. This book addresses the fears and concerns of today's lawyers, including how to turn a bad economy into a good opportunity to not just survive, but thrive, as well as how you can leverage technology to reduce overhead and maximize profitability. Whether you're out of work, or afraid you will soon be out of work, this book offers a compendium of helpful tips to secure your present job or to find a new one. *How Good Lawyers Survive Bad Times* will help provide you with shelter from the storm by giving you the tools to build your own personal ark. If you have the will and the focus, you will survive the current maelstrom. Good lawyers can indeed survive bad times. "A must-read that's well worth the cover price, even for those currently on limited budgets. The authors offer
