The Test Quotes by Anya Kamenetz - Goodreads Most people don't even question our public school systems. I mean who has the time to question much these days? We are all so busy running this rat race and we don't feel like we have the energy to think after the workday is over. You may say 'I went to public school and I turned out alright.' But is alright all we really strive to give to our children? There are definitely more than 9 ...

9 Reasons Public Schools Are Failing Our Society The No Child Left Behind Act was created to 'fix' our public schools, but in fact, has done more to damage the system than correct it. Under this law, extreme emphasis is placed on test scores and ...
