Skoda Octavia towbars | Witter Towbars  
All tow bars for the Skoda Octavia Estate 2005-2013 and 2013 onwards models will require a bypass relay, if universal electrics are fitted. A bypass relay works by powering what it is you are towing through transferring power straight from the battery instead of taking too much current away from your vehicle. Whereas a dedicated system works in harmony with your vehicle's ECU and all of its ...
