White Instruction Manuals - Sewing Parts Online
White Sewing Machine Serial Numbers The serial number on your vintage White sewing machine is an important part of finding out how old it is. The location of the serial number may be in one of a variety of places and it may take a few seconds to get the exact location. Just look on the front, back, bottom of the machine or on its motor.

White Sewing Machine Guide (Models, Value, History, Review)
Sewing machine manuals are considered a "part," or an essential piece of equipment to the machine. For those who know the make and model of the sewing machine, it's likely they'll be able to locate a manual. The first step is finding the machine's manufacturer and model number. Most machines have a manufacturer's name somewhere on the machine. The model number may be on the back or bottom of ...
